Sonja – sorry not to get back to you till now. I am going to try to talk to the defense lawyer tomorrow to see whether this is likely to go, but if I can't reach her, then the answers to your questions are:

- 1) No changes to the schedule as of today;
- 2) You can be on call, and I will know by 10 AM whether or not you need to drive to New Bedford, in which case you should plan on trying to be here by 2 PM; and,
- 3) If you can bring your lab notes from "on-call," then that's fine, otherwise I think you should bring them home with you.

You can reach me at any time over the next couple of days on my cell, [REDACTED]

Thanks,

Caleb

Hi Caleb-

I don't know if you are the ADA handling this, but I'm hoping that you could answer a couple questions for me. First, I'm curious if there have been any changes in the [REDACTED] trial scheduled for 8/23/11 (next Tuesday)? Also, should I plan on being on call, or should I be there at a specific time? I'm just wondering as I have a Superior Court case in Springfield the day before and would like to know if I should bring my lab notes home with me or if I can keep them at the lab. Thanks for all your help.
